---

This Certificate of Compliance action submitted by the Department of Food and Agriculture makes permanent the prior emergency action (OAL file no. 2017-1205-02E) that expanded the quarantine area for Huanglongbing ("HLB") disease in the Pico Rivera area of Los Angeles County. The quarantine area was expanded by approximately four square miles in response to the confirmation on November 9, 2017, of the presence of HLB from suspect citrus tissue samples collected in the Pico Rivera area. The current action provides authority for the state to permanently perform quarantine activities against HLB within the expanded area.

OAL approves this regulatory action pursuant to section 11349.6(d) of the Government Code.
